Families already travel — now those same trips can support their team, without extra work, selling, or organizing.

YOU'RE ALREADY TRAVELING... WHY NOT GIVE BACK?

Most families already have trips planned.

Now, those same vacations **can give back to your team** - without any extra cost or effort.

Turn YOUR next trip into \$100 for your team.

HOW IT WORKS?

1. BOOK YOUR VACATION THROUGH TRAVEL BEE
2. PROVIDE YOUR PLAYER'S NAME + TEAM NAME + TEAM CONTACT
3. WE DONATE **\$100 BACK*** TO YOUR TEAM

Grandparents, relatives, and friends can book their own trips - and still give back to your team.

The more people who travel, the more your team earns.

Every qualified booking = \$100 back to your team

— ”

**The impact grows quickly
when your network travels
together.**

WHEN DO HOCKEY FAMILIES ACTUALLY GET TO TRAVEL?

We know hockey season is busy.

But most families still find time to travel during:

Christmas

March Break

Summer

These are the trips families are already planning - now they can give back too.

Even one trip a year can *make a difference.*

A LITTLE GOES A LONG WAY

Just 8 families booking trips = \$800 back to your team

Use it however your team wants - team social, year-end gifts, etc.

Every trip adds up -

FAQ

TRAVEL BEE
Travel That Gives Back™

Everything you need to know - simply explained.

Does it cost anything extra to participate?

No - there is absolutely no additional cost to families.

What types of trips qualify?

All qualifying family vacations **over \$5,000**, including all-inclusives, cruises, and packages. (Flight-only bookings do not qualify)

When is the cut-off date for bookings for the season?

All bookings must be completed **by February 15th** to count towards that season's donations.

Can I book travel for after the season (like summer) and still contribute?

Yes!

As long as your booking is completed by **February 15th**, it will still count - even if you travel later in the year.

How does the team receive the funds?

Funds are distributed as a lump sum at the **end of February**, via e-transfer or cheque - based on the team's preference.

Do I need approval from my coach or team manager to participate?

No approval is required. We do recommend letting them know so the team can stay informed and track progress together.

How do I make sure my booking is credited to the right team?

At the time of booking, simply provide us with:

- Your player's name
- Your team name
- Team contact

We'll take care of tracking everything from there.

What if multiple families are traveling together?

Each family can book separately and still contribute individually. That means multiple \$100 donations can come from the same trip group.

What if I'm already planning to book a trip?

Perfect - that's exactly what this program is designed for. Just book through our travel agency **Travelbee** and your trip will count.

Who can participate in the program?
